

## Smiths - 1 bed/1 bath with bonus room

### Property Description:

#### Villa Cayon

This single level, tiled 1 bedroom, 1 bathroom apartment is the perfect home for the single professional or couple seeking more space than the typical 1 bedroom apartment affords. As you enter the apartment through the wide cedar doors, you are welcomed into a large foyer leading to the pillared living room. Off the living room, a bonus room, with an open beamed ceiling, provides opportunities for an office, home gym, guest bedroom or simply an expansion to your living room. The hallway leads to the master bedroom (with walk in closet), a full bathroom and laundry with full sized washer and dryer. Through the dining room you enter the kitchen which is adjacent to a bricked patio providing space for outdoor entertaining. The apartment is offered unfurnished, however, there is an option for it to be partially furnished. The property is fully air conditioned throughout and shares a generously sized tank with the main house. Located off Harrington Sound Road, Smiths, the apartment is near to public transportation and Flatts Village. Available July 1. Not suitable for smokers.
