Property Description:

Comfortably Furnished

This split level, 2-bedroom, 2.5 bathroom townhouse is comfortably furnished and perfect for a house share or family. On the ground level, the functional kitchen with stainless steel fridge and gas stove boasts generous cupboard space and a light and airy breakfast nook. Social gatherings are made easy with a powder room for guests and an open plan living and dining room which opens out to the patio and garden. A cozy, wood burning fire-place further enhances the appeal of the living room. The lower level is made complete with a small laundry room. On the upper level are two bedrooms each with towering ceilings, good sized closets and their own bathrooms. The townhouse is offered fully furnished with the exception of beds. The property is tiled throughout, has ample storage space (including basement), ceiling fans and a combination of split system a/c and window a/c units. This rental opportunity is located in a well-established, residential location conveniently positioned near to grocery stores, public transportation and schools. Regrettably, this property is not available to smokers or pet owners. Available August 1, 2014.
